Preparations for the First Annual **Operation: Top Spin** are in full swing and we would like to invite you to become one of our event sponsors or participants. **Operation: Top Spin** is a table tennis tournament which will be held on September 17, 2017 at the completely renovated, state-of-the-art Top Spin Table Tennis Centre (106 Martin Ross Avenue, Toronto). Funds raised through this event will support the **University of Toronto Surgical Skills Centre** at Mount Sinai Hospital.

Elena Shkrab, founder of Top Spin Table Tennis Centre, pro table tennis player and coach, has had firsthand experience with our surgical procedures:

"I'm so grateful to Dr. Safir and his team for all their hard work and compassion. Following two successful surgeries I have been able to live an active lifestyle and enjoy table tennis like I used to enjoy before. I continued coaching table tennis and running the Top Spin Table Tennis Centre, and have so many exceptional supporters. Dr. Safir and his team are true professionals, and I knew I was in good hands."
